As we say goodbye to summer, CASA of Cecil County is proud to announce our **Sixth Annual Festival of Trees** to be held at **Woody's Crab House** in **North East!**

Court Appointed Special Advocates (CASA volunteers) dedicate their time and efforts to helping abused and neglected children in foster care have their voice heard in court. With support from amazing donors like you, we have raised over \$50,000 towards our goal of providing safe and stable housing for foster youth ages 16 to 20 years old. While this is a tremendous accomplishment, we're not done yet! Without a stable environment and support resources, one-third of the young adults in foster care will find themselves homeless as they age out of the system at 21 years old. We need your support to reach our goal of providing housing resources and support for some of our most vulnerable young adults.

Now in our 6th year of Festival of Trees, we are proud to be the largest Holiday festival in Cecil County and cannot wait to see our loyal supporters again this year! We are looking for Event Sponsors, Tree Sponsors, and Tree Decorators! Will you answer our call?

Put CASA of Cecil County on your gift list this Holiday Season.

Warm Regards,

Giulia Hodge
